

MASTER'S DEGREE IN COSMETIC SCIENCE AND TECHNOLOGY

▪ GENERAL OBJECTIVE

This master's program is designed for professionals in medicine, chemistry, pharmaceuticals, and other related areas who wish to deepen their theoretical and practical knowledge of cosmetic science and technology and be able to conduct research projects, produce and market cosmetic goods.

▪ SPECIFIC OBJETIVES

- Study the physical and chemical fundamentals that apply to the production technology of cosmetics.
- Learn about the skin's anatomical and functional aspects.
- Learn about natural and synthetic raw materials used in the production of cosmetics; especial emphasis will be placed on materials from our own country.
- Learn about the main marketing tools used for cosmetic products.
- Study the analysis and stability principles of cosmetics
- Research endemic natural raw materials as possible sources for the production of cosmetics

▪ DEGREE

Degree: MASTER IN COSMETIC SCIENCE AND TECHNOLOGY

Resolution: RCP.S12.No.372-10

Study Mode: Part time

Place: UPS-Cuenca

Start date: March 5th, 2015

Duration: 2 years

Schedule:

- Thursday from 6pm to 10pm
- Friday from 6pm to 10pm
- Saturday from 8am to 1pm and from 2pm to 5pm

▪ GRADUATE PROFILE

Graduates of the Master's in Science and Technology program will be capable of:

1. Organizing, optimizing, and validating the processes that are required for the elaboration, control, and health registration of cosmetics.
2. Interpreting the results of stability and compatibility tests of the container and the packaging in order to choose the most suitable type for the product being developed.
3. Planning and managing projects in the cosmetics field.
4. Advising the local cosmetic industry on the use of resources.
5. Conducting research on the properties of endemic natural raw materials in the amazon.

Directing research in the field of cosmetic technology

▪ REQUIREMENTS

- Fill in the admissions forms (interview)
- Color copy of I.D
- 2 passport size photos
- Notorized copy of undergraduate degree
- Resume
- Registration of the undergraduate degree in SENESYT
- Voting certificate (Certificado de votación)
- Academic records
- Registration fee \$50

▪ COSTS:

8500 USD (Including graduation expenses)

▪ COORDINATOR

Pablo Arévalo Moscoso PhD.
